TO: _____

Okebs security and safety Nigeria limited is a well-known brand name in private industrial security management in Nigeria established in 2017 but has been a branch of Salem corporate security since 2014 in Lagos which the head office is at Plateau state.

Okebs security and safety has continued to offer quality and total security solutions to number of its client through excellent world class customers service

Okebs security and safety maintain law and order whenever there is industrial unrest in any of our location by our operatives. We also have guards that have gone through adequate training in crisis control that are on ground to move into crisis area 24/7.

Our mission: To provide reliable security service to our client through excellent world class customer service and appropriate application of the required needs.

Our vision: To become best outfit in Nigeria with global network achieved through good performance in the provision of security service to our client.

WHAT WE DO

1. Special Investigation :

We provide private investigation on request by clients, ready to meet the clients needs, We offer individual investigation using state of the art equipment, We specialise in conducting complex Investigation, Tracking and secret undercover Operation, security consultation, detective work, checking company or individual profile etc. This function is carried out by trained investigative personnel.

2. Car hire /Escort services:

Okebs security and safety provide escort service for clients/customers and ensure adequate monitoring and surveillance of the premises and movement of the clients.

Client or principle escort is a real task of immense pride and responsibility, our escort section are qualified and trained to be efficient, integrity and diligent with all they do. This service include airport pick-up and drop-off function as well as dedicated armed escort service across major cities in Nigeria to board town.

3. Cash in Transit

Okebs security and safety is into fully cash movement for client with different sales deposit, bank and other institutions that require moving cash and valuable as their business demand. This is done through our escort service A.A Department.

4. Training Consultancy.

We train security operatives in companies who need to constantly update their men with the newest technology in security system. We also train through one of our partner dominion training school in United Kingdom [UK].

We organized training call our expert from United Kingdom {UK} to train your staff in all field request by the client.

5, Personal Protection: we provide trained personnel to clients, we operate full and part-time teams service to leaders. Corporate executives and celebrities

Our involvement includes travel as well as family, residential protection. We can arrange for conference and convection protective service and also coordinate executive domestic and internationally in a safe and well secure act.

Security Equipments

In this area, Okebs Security and Safety Nig Ltd, we always and will continue to advice our client about the need to procure and install security equipment that will serve important functions to ensure quality security coverage of their premises. Below are the high- tech equipment we use in our security activities.

- **Hi- tech CCTV cameras**
- **Smoke & fire detector system**
- **Intrusion alarm system**
- **Metal detectors**
- **Advanced perimeter security systems**
- **Glass break detectors. Etc.**
- **Intercom which utilizes existing LAN/WAN**

6. Maritime Consultancy.

In our bid to make or move fully into local content policy of the federal government of Nigeria, we have diversified to the main sector by offering off-shore security service. We use our private security men in collaboration with government security forces. The Nigeria navy and the joint Task force to ensure that the environments where properties are located are monitored against crime. Like.

- ◆ **Ship security officers**
- ◆ **Provision of security vessels**
- ◆ **Naval escort**
- ◆ **Executive protection**
- ◆ **Platforms/ oilrigs protection**
- ◆ **Coastline surveillance**

7. Reception Protocol.

Okebs Security and Safety Nig Ltd, welcome escort expatriate workers for our various client/customers, without any hitches,, we have good records in that area of service too.

With all this, it is my pleasure to inform you that Okebs security and safety is ever ready to enhance your progressive development in any particular area of your business.

9. Arm Response:

Arm response is still part of our services; our guards are not armed, but we work with the Army and all divisional police patrol in visiting our locations to know about the situation on ground if there is any urgent issue that need to be addressed particularly in security matter. All this is put in place because of the situation and security challenges we face this days in all our National level and Local level.

10. Staffing/Labour Contract Services:

we also provide our clients with admin staff, operations staff, factory workers, drivers etc. we take the burden of employment processes off our client by providing qualified and well vetted staff (**KYS-know your staff**), which bring about growth in our client businesses. We charge a service fee which covers for insurance, pensions and others.

Why You Need the Service of Okebs Security and Safety

Our company is blessed with many security experts, legal practitioners and consultants to enhance the progressive development in any particular area of business.

We Give Room for Negotiation in Terms of Price

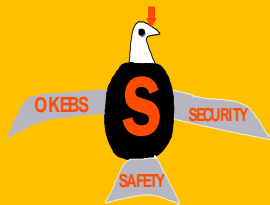

We are aware that all hands are not equal, we come down to your level depending on the kind of business you operate; will determine the price schedule in most cases, we are fair to our client because our service is not all about money but building a reputation even as your protection is our achievement.

Using of uniform: Okebs Security and Safety has its own uniform which all our security uses, but if the client demands any particular one, it could be negotiated between the client and Okebs Security Company.

Thank you in anticipation

Yours faithfully,
